

## CERTIFICATE OF CONFORMITY

2286/CPR/177/24

Under the European Regulation N° 305/2011 from European Parliament and Council (March 9, 2011) establishing harmonized conditions for the marketing of construction products, has been established that the construction product(s):

### BITUMEN AND BITUMINOUS BINDERS

#### BITEX REFINERY SHA

Balldre,Zona Kadestrale 1045 nr pasurie (A), Elbasan, Albania

#### Made in:

Balldre,Zona Kadestrale 1045 nr pasurie (A), Elbasan, Albania

It is submitted by the manufacturer to a factory production control and an initial type test, and that the ICDQ notified body has carried out the initial inspection of the factory and the factory production control and carries out surveillance, evaluation and permanent authorization of factory production control. This certificate indicates that all provisions relating to conformity assessment of the harmonized standards mentioned in the scope have been applied.

This certificate remains in force as long as the conditions established in the harmonized standards included in the scope, the factory production control system, the product and the manufacturing conditions do not change significantly.

This certificate will be updated annually once the surveillance inspection, evaluation and permanent authorization of the factory production control have been carried out.

Date of initial certification: 23/12/2024

Date last update: 15/01/2026

The annual surveillance audit must be carried out before: 22/12/2026
